

Grand Komodo, Indonesia ***July 10 - 21, 2012***

It's all about diversity...and Komodo has it all! Join us aboard the Arenui-the Boutique Liveboard, for exhilarating drift diving, interesting muck diving, encounters with pelagics (mantas, sharks, whale sharks, sunfish), macro attractions (pygmy seahorses, blue-ringed octopus, frogfish, ghost pipefish), shallow reefs, walls, pinnacles, seamounts, pristine hard/soft corals and a "bubbling" underwater volcano. Also at the Komodo National Park, meet the last living dinosaur, the infamous Komodo Dragon.
